

SPECIAL TIRE RULE FOR SATURDAY, JUNE 12TH AT CFS

Due to the magnitude of this race, being the qualifying event for the \$5,000 Clash of the Titans at Riverside Speedway in August, it has been decided that all Late Model teams will be able to purchase four tires for Saturday night's race instead of the normal amount.

The reason for this change is the fact that many outsiders have been inquiring about racing in this event, and any new car can purchase six new tires for their inventory. We feel this would put our teams at a severe disadvantage when it comes down to the opportunity to win this big race!

What is at stake?

- 4. 15 gallons of Sunoco Race Fuel for the Clash**
- 5. Chance to win \$350 in Lucky Doog Loot cash.**
