

8/20/10 RECORD LATE MODEL LUCKY DOG LOOT TO BE HANDED OUT AT CANAAN FAIR SPEEDWAY

The biggest event of the year for the New England Outdoor Furnaces Late Models will be happening on Saturday, August 28th at 5pm, as the New England Outdoor Furnaces 100 will be taking place. The winner of the event will receive \$1,000 for the victory, with a solid purse guaranteed throughout the field.

Not only will the winner receive the top \$1,000 prize, they will also pick the lucky chips out of the basket for the New England Outdoor Furnaces Lucky Dog Loot Contest. There will be two Lucky Dog winners this week and each will win a \$500 cash bonus courtesy of New England Outdoor Furnaces. Each week the Late Model winner pulls out a chip, and whomever finished in the position that coincides with the number on the chip earns the Lucky Dog Loot Bonus. This means that this week's race winner could possibly walk away with \$1,500.

New England Outdoor Furnaces owner, Wes Smith stated, "This is a great program for the division and for the Speedway, and I am very happy to be such an integral part of the inaugural Late Model season here at Canaan. These Late Models put on a whale of a show week in and week out, and the fans love them as much as I do! The new management is doing a great job, and New England Outdoor Furnaces is proud to be part of it." New England Outdoor Furnaces is the leader in the area for outdoor furnaces including being the areas authorized Central Boiler dealer. They also have great prices on wood pellets. New England Outdoor Furnaces is located on the Charlestown Road in Claremont, New Hampshire.

This Late Model event is open to Late Models throughout the Northeast. For technical questions contact Charlie Rockwell at 802-754-2822.
