

## **1/22/11 STUART BEAN PROMOTED TO ASSISTANT RACE DIRECTOR AT CANAAN ASPHALT SPEEDWAY**

**Canaan Fair Speedway Promoter, Dick Therrien is pleased to announce that Stuart Bean has been promoted to the post of Assistant Race Director on the “Awesome Asphalt” at Canaan Fair Speedway in Canaan, New Hampshire.**

**Bean has been a fixture at both the dirt and the asphalt tracks, as a car owner, and as a corner worker for many seasons. He works the backstretch on both tracks, and helps with lineups on the tracks, as well as discipline and working as an extra set of eyes.**

**“I feel that Stuart has done a great job for me down on the track. I need an extra set of eyes in the tower on the asphalt and Stuart is the man that can fill that position for me, stated Therrien. Canaan is a large track and things can happen extremely fast. No one person can see it all, and I trust Stuart’s judgment and honesty, and also his knowledge will be beneficial in making the right decisions. He knows racing as well as anyone I know, and I am excited to have him working side by side with me. This is just another improvement to our growing facility.”**

**Canaan Fair Speedway’s are located on Orange Road, off of Route 118 in Canaan, New Hampshire. For more information on the tracks, visit the website at [www.canaanspeedways.com](http://www.canaanspeedways.com), or call the track hotline at 802-274-8823.**
