

**4/1/2011 \$5,000 TO WIN ACT LEGAL LATE MODEL 150
SET TO INVADE CANAAN FAIR SPEEDWAY ON MAY 7TH**

The biggest opening day event in the Northeast for Late Models is about to take place at Canaan Fair Speedway in Canaan, New Hampshire, on Saturday, May 7th at 5pm. The inaugural SUBWAY FRESH FIT 150, presented by Bond Auto Parts, New England Outdoor Furnaces, and Bly Machine, will kick open the doors on the 2011 racing season at the ultra-fast New Hampshire speed plant. The event will carry a huge \$5,000 to win tag, with everyone that gets a top five finishing position paying at least \$1,000.

“I am so excited about this event, stated general manager, Dick Therrien. I have worked my butt off all winter to pull off an event of this magnitude at Canaan. This event will attract some of the biggest names in Late Model racing in the Northeast as the May 7th date has no conflict with the ACT Tour, and most tracks in the area have not opened their doors yet. What better way to start off your race season, than with a very nice payday. Twenty-four cars will start the event, and everyone that qualifies will receive at least a \$300 paycheck. I want to give a big thank you to Subway, Bond Auto Parts, New England Outdoor Furnaces and Bly Machine. Without their support, an event of this magnitude could not happen!”

This event is pretty much open to any ACT legal Late Model, and any Late Model that fits the Canaan Fair Speedway rules. If you have any technical questions, contact Charlie Rockwell at 802-754-2822. This also will be a points counting event for the Canaan Fair Speedway's, New England Outdoor Furnaces Late Model division, as every car that attends the event and attempts to qualify will earn 100 track championship points.

There will be a \$50 early entry fee for the event. The \$50 fee is valid until May 1, 2011. After May 1st, the fee goes to \$75. Registration forms can be found on the track website in the forms section at www.canaanspeedways.com. Please fill out form and send to CFS, P.O. Box 65, Enfield, NH 03748.
