BRUCE JAYCOX FILES FIRST ENTRY  
FOR SUBWAY FRESH FIT 150

Hartland, Vermont's, Bruce Jaycox has filed the first entry for the \$5,000 to win, Subway Fresh Fit 150, presented by Bond Auto Parts, New England Outdoor Furnaces and Bly Machine. The 150 lap, ACT legal, Late Model event kicks off the season on Saturday, May 7th at Canaan Fair Speedway, in Canaan, New Hampshire.

Jaycox, a veteran of many seasons at many tracks throughout the northeast will be graduating to a Late Model in 2011. The former Super Street runner has taken possession of a new piece of equipment that he hopes will guide him to victory in this huge event. "This is the best racecar that I've ever had under me, and myself and my crew chief, (his wife) are so excited to get the season going and get behind the wheel of our new Chevrolet. Canaan is a great place to race, and we are looking forward to competing in the Subway Fresh Fit 150. We may be new to Late Model racing, but our years of racing experience, racing all kinds of machines will help us dramatically" exclaimed and excited Jaycox. Jaycox will be sponsored for the event by Bruce Jaycox Property Management.

The Subway Fresh Fit 150 will get underway at 5pm on Saturday, May 7th. The event carries a purse of \$17,500, with the top five spots paying a minimum of \$1,000, and last position pays \$300. "I truly am excited about this event, stated general manager, Dick Therrien. We have worked all winter long to pull this event together and I am so thrilled that we were able to secure sponsorship to bring this dream to reality. These sponsors are great businesses to work with and I am looking forward to building a long term relationship with them. The phone has been ringing off the hook, and my e-mail box is stacked with racers and fans wanting more information about the event. One big note of interest is that it actually will be a doubleheader weekend as our dirt track opens on Friday night with round number one of the Subway, Modified Triple Crown Series paying \$500 to win. There will be a full card of racing including the new dirt Late Model class, plus a 30 lap enduro all presented by Subway and Bond Auto Parts. This will be a huge weekend for Canaan Fair Speedway's."

Canaan Fair Speedway is located on Orange Road, just off of Route 118 in Canaan, New Hampshire. It is easily accessible from I91, I89, and I93. and there is always plenty of free camping available. For more information about the Speedway's, visit the website at [www.canaanspeedway's.com](http://www.canaanspeedway's.com) or call Dick Therrien at 802-274-8823.
