

## **6/24/11 CANAAN FAIR SPEEDWAY'S LOSES A GREAT FRIEND**

**Canaan Fair Speedway's are greatly saddened by the loss of one of their own on Friday, June 24, 2011, as David Hollinger lost his courageous battle with cancer.**

**David had been an Assistant Tech Man at the dirt track for the past two season's right up til his passing. "David was a valuable cog in the wheel at Canaan, stated General Manager, Dick Therrien. He was the first person that came up and shook my hand when I came here last year, and he offered to do whatever I needed. Dave was an all around great guy and we all thought the world of him. He had a great personality, and his knowledge and ability to work with others was second to none. Charlie and Jamie are deeply saddened by the news as well. The three made a great team, and they became good friends from day one. He surely will be missed by all. I for one have lost a great friend."**

**Dave also loved racing with his two stepsons Rich and David Dubeau. David is taking this season off and helping his brother on the #60 Super Street on the asphalt track. With the help of his stepdad and brother David, Rich went on to claim his first win of the season on Sunday, June 5<sup>th</sup>. As you can tell by the photos, this was one proud racing family.**

**Funeral services are incomplete at this time. They will be posted on the website as soon as they become available.**
