## **NASCAR SET TO INVADE CANAAN FAIR SPEEDWAY IN 2012**

Exciting things are happening at Canaan Fair Speedway in Canaan, New Hampshire with the anticipated arrival of NASCAR Sanctioning for the "Awesome Asphalt" facility. The papers have been signed, and 2012 is sure be packed with excitement, and all the glory that NASCAR, The Whelen All American Series, and Canaan Fair Speedway racers can provide.

"This new relationship with NASCAR will bring Canaan Fair Speedway to the forefront of racing in New Hampshire as only two other tracks, Lee USA Speedway, and Monadnock Speedway, carry the NASCAR banner, stated Dick Therrien, CFS General Manager at the media conference at the Residence Inn Hanover/Lebanon. The opportunities for our racers, and our Speedway are endless. This sanctioning allows our racers to battle for Track, State and National Championships!"

Canaan Fair Speedway will start out with three weekly divisions participating as NASCAR sanctioned classes. Level 1 will be our Late Models, Level 2 will be our Pro Stocks, and Level 3 will be our Super Streets. "With our Late Models being our signature division, they will have the opportunity to race for a sizeable point fund, plus numerous NASCAR Awards, including a chance to race for a National Championship!"

"As for Canaan Fair Speedway, the NASCAR sanction means tremendous help in the marketing department, plus numerous benefits in sponsorship packages. We are looking forward to using all the tools that NASCAR offers us. They are certainly a professional organization and they have been with us every step of the way. I just returned from Charlotte, North Carolina where I went to the promoters meetings and the NWAAS Awards Banquet. Everyone treated us like family, and the banquet was absolutely incredible. I must say I am so excited and pumped up about being part of the NASCAR family!"
